# Course Instructors

**Marco Campello, PhD, MA**, is the associate clinical director at the Occupational and Industrial Orthopaedic Center, Hospital for Joint Diseases Orthopaedic Institute at New York University Medical Center. He also serves as an assistant clinical professor in the Department of Orthopedics at the NYU School of Medicine and has published many studies focusing on orthopedics and lower back pain. He has received the Woodbridge Award for Excellence from The Physical Medicine Research Foundation.

**Deborah DiBenedetto, MBA, RN, COHN-S/CM, ABDA, FAAOHN**, is president, DVDiBenedetto & Associates LTD; executive vice president Professional Services, CMGT, Inc.; and president, AAOHN. A pioneer in the field of insurance rehabilitation, Workers' Compensation and Disability Case Management, she is an internationally known consultant, lecturer and writer on absence management, CM, WC, occupational health, regulatory compliance and issues pertinent to the field of health, safety and productivity.

**Annette B. Haag, MA, RN, COHN-S/CM, FAAOHN**, is president, Annette B. Haag & Associates, past president of the American Association of Occupational Health Nurses and trustee for the American Society of Safety Engineers Foundation. With over 30 years of experience, Ms. Haag is nationally and internationally recognized in the field of health and safety.

**Ellen Kelly, MS, CCC-A**, is director of the Center for Speech and Hearing Sciences, Inc. Ms. Kelly is an adjunct faculty member for UMDNJ-RWJMS, belongs to the New Jersey and American Speech and Hearing Associations and is a fellow with the Academy of Dispensing Audiology. She received an EOHSI service award in 1989, has appeared in Who's Who Among Health Care Professionals and received an Achievement in Continuing Education award from ASHA.

**Margareta Nordin, DrSci**, is the director of The Occupational and Industrial Orthopaedic Center, Hospital for Joint Diseases Orthopaedic Institute at New York University Medical Center. Dr. Nordin received her Medical Doctor of Science degree from the University of Gothenburg in Sweden. Her extensive experience and expertise in ergonomics and occupational medicine is reflected in her numerous responsibilities, including her position as leader of the medical standards project for the New York City Transit Authority. Dr. Nordin is Research Professor of Orthopaedics in the New York University School of Medicine and Research Associate Professor in the Department of Environmental Medicine of New York University's Graduate School of Arts and Sciences

**Vincent Scales, BS, RPFT, RPSGT**, is the Director of Technical Services for the Central Jersey Sleep Disorders Center at Pulmonary and Critical Care Associates, PA, in East Brunswick, NJ. He received his BS in Physiology from Rutgers in 1972.

# Register

To register via FAX complete the registration form for each registrant. Mail or fax the completed registration form(s) with payment to the address/fax number indicated. Payment may be made by check, purchase order, Visa or MasterCard. Checks and purchase orders should be made payable to UMDNJ-SPH. Registration is not considered final until full payment is received. Any questions about courses should be directed to the Registrar.

Please register early as class sizes are limited. Confirmations will be sent to those who register at least 10 working days prior to the first day of each course. Confirmations will include course date(s), location, directions, start time and end time. Hotel information will be supplied on request. If you believe you are registered, but have not received a confirmation, please verify your place in class by contacting the Registrar either by telephone, fax or email.

Please note: Course fees and dates are subject to change. Registration begins at 8:00 am and courses begin at 8:30 am. Course locations and times vary. Please consult your confirmation letter for this information. Students receive a course manual and/or written materials. Certificates of Completion are awarded to students who maintain perfect attendance and successfully complete all requirements. Continuing Education Units (CEUs) are awarded on request.

Any fees for licenses or credentials are also the responsibility of the student unless otherwise specified.

## Cancellation Policy

CET reserves the right to cancel programs, if necessary. In this event, the full registration fee will be refunded. CET, however, is not responsible for travel or other costs incurred by participants.

All cancellations by a registrant must be received in writing and can be faxed or mailed. Course registration fees will be refunded in full if cancellations are received 11 or more working days before the program start date. Any cancellations or changes, by the registrant, made within 10 working days of the program start date will be charged a \$100 administration fee. No shows and cancellations received on or after the program start date will be invoiced the full amount of the registration fee. The registrant may send a substitute without penalty.

See website for our Disclosure Policy

# Directions

## From the Garden State Parkway North or South, NJ Turnpike South, or I-287 North

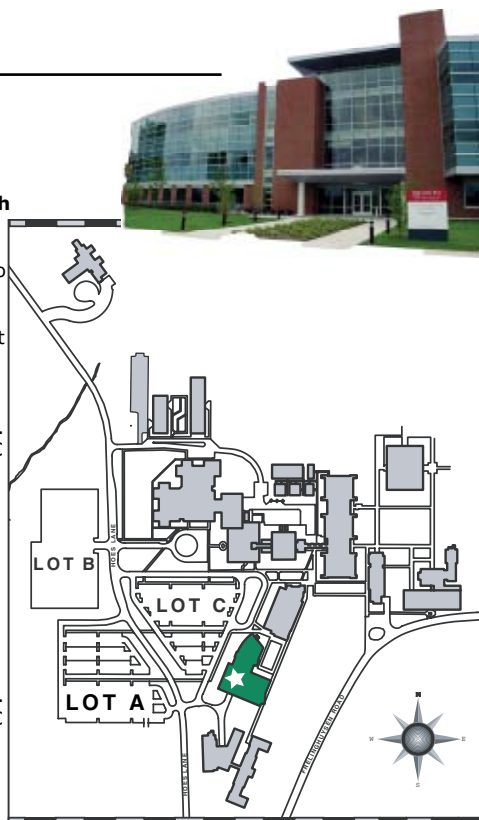

- Take the Garden State Parkway North to exit 127 or South to exit 129, or the NJ Turnpike to exit 10 (I-287 North).
- Follow I-287 North to Exit 9 (Bound Brook/Highland Park). Turn Left at the end of the exit onto River Road.
- At the third traffic light (~3 miles) turn left onto Hoes Lane West.
- Proceed about a half-mile to a sign for UMDNJ. Parking lots A and B will be on your left, and C on your right (see diagram below).
- We are located adjacent to lot C on the First Floor.\*

## From I-287 South

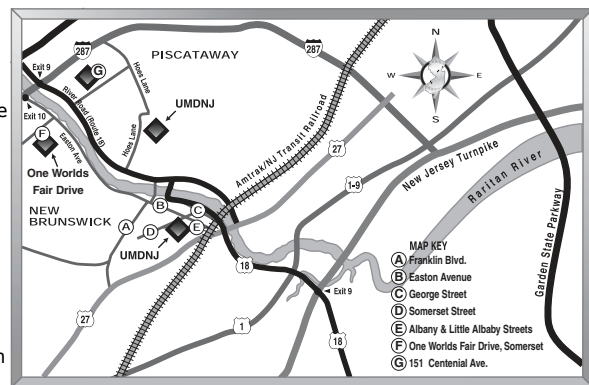

- Take Exit 9 (Bound Brook/Highland Park) and turn Right onto River Road.
- At the third traffic light (~3 miles) turn left onto Hoes Lane West.
- Proceed about a half-mile to a sign for UMDNJ. Parking lots A and B will be on your left, and C on your right (see diagram below).
- We are located adjacent to lot C on the First Floor.\*

## From South via NJ Turnpike North

- Take Exit 9 (New Brunswick) to Route 18 North.
- Follow Route 18 through New Brunswick and over the Raritan River.
- As you cross the bridge, stay in the Left Lane and continue on Route 18 North.
- Take the Second Exit on the Right (Campus Rd, Busch Campus).
- Proceed to the Circle and take the Second Right off the circle onto Frelinghuysen Road
- At the End of Frelinghuysen, make a Right onto Hoes Lane West (not marked).
- We are located adjacent to lot C on the First Floor \*

UMDNJ/Busch Piscataway Campus
